A NOTE TO PARENTS

The SouthBound trip is large event sponsored by Campus Life, a division of Youth for Christ/Youth Unlimited. Campus Life exists for the purpose of assisting youth in developing as a whole person, working with them to achieve a balanced life (mental, physical, social and spiritual).

SouthBound 2018 is a weeklong trip to Florida. We travel 26 hours on air-conditioned highway coach buses, and stay at Camp Gilead, Polk City. The camp facility is our base for six days and five nights in Florida.

All of the meals at the camp are included in the registration fee. Day trips will be made to a Gulf beach, Orlando attractions and shopping trips in the area. On all of these day trips, including the bus ride to Florida and back again, teens are responsible to purchase their own meals.

Admission to Orlando Attractions **are not included** and teens must come prepared to pay an additional cost (group rates apply). Evenings at the camp will feature a high-energy program, which consists of music, contests, games, and guest speaker. At the end of the six days we will board the buses and head home, usually arriving about 5:00pm (teens will have a chance to call home from the border and give an ETA).

This year, Southwestern Ontario YFC is overseeing registration forms and fees. *An information letter with medical permission from, contact numbers and more complete list of activities, necessary items and departure times will be sent out to registrants in February.*
